## **DECOLINE MINI**

**Linear HP wall washer**

## DECOLINE MINI

Linear HP wall washer

### FEATURES

- 6063 high density extruded aluminium alloy
- Silk screened tempered glass cover
- High purity PMMA optics by
- Chamber pressure balance component
- Extension cable with quick connect plug, with silver anodised conductor
- Available in charcoalgrey, black and white finishing
- External driver for easy maintainance
- Dynamic white RGB,RGBW
- Dimming compatible with DMX ,DALI
- High colour rendering,Ra>80
- Ra 90 is available for 2700k 3000k
- 24 Vdc

CE  IP65 RoHS

## DECOLINE MINI

Linear HP wall washer Interior

### FEATURES

- 6063 high density extruded aluminium alloy
- Silk screened tempered glass cover
- High purity PMMA optics by
- Chamber pressure balance component
- Extension cable with quick connect plug, with silver anodised conductor
- Available in charcoalgrey, black and white finishing
- External driver for easy maintainance
- Dynamic white RGB, RGBW
- Dimming compatible with DMX, DALI
- High colour rendering, Ra > 80
- Ra 90 is available for 2700k 3000k
- 24 Vdc

CE  RoHS
